## SCOPE

This policy addresses how Rubicon Outdoor Centre aims to prevent and respond to student bullying behaviour. Rubicon Outdoor Centre recognises that there are many other types of inappropriate student behaviours that do not meet the definition of bullying which are also unacceptable at our school. These other inappropriate behaviours will be managed in accordance with *our Code of Conduct, Student Wellbeing and Engagement Policy, Gender Diversity Policy and Child Safe Code of Conduct*.

This policy applies to all school activities, including camps and excursions.

## POLICY

### Definitions

*Bullying* occurs when someone, or a group of people, deliberately and repeatedly upset, harass, intimidate, threaten or hurt another person or damage their property, reputation or social acceptance. There is an imbalance of power in incidents of bullying, where the bully or bullies have more power than the victim due to their age, size, status or other reasons.

Bullying may be direct or indirect, physical or verbal, and includes cyberbullying. Bullying is not a one-off disagreement between two or more people or a situation of mutual dislike. In this policy any reference to 'bullying' includes all forms of bullying including cyberbullying.

Bullying can be:

1. *direct physical bullying* – e.g. hitting, tripping, and pushing or damaging property.
2. *direct verbal bullying* – e.g. name calling, insults, homophobic or racist remarks, verbal abuse.
3. *indirect bullying* – e.g. spreading rumours, playing nasty jokes to embarrass and humiliate, mimicking, encouraging others to socially exclude a person and/or damaging a person's social reputation or social acceptance.

*Harassment* can also constitute bullying if it amounts to a pattern of behaviour or course of conduct towards another person that is demeaning, offensive or intimidating to a person.

*Cyberbullying* is direct or indirect bullying behaviours using digital technology. For example via a mobile phone, tablets, computers, chat rooms, email, social media, etc. It can be verbal, written or include use of images, video and/or audio.

### **Other distressing behaviours**

Many distressing behaviours may not constitute bullying even though they are unpleasant. Students who are involved in or who witness any distressing behaviours should report their concerns to school staff and our school will follow the *Student wellbeing and engagement policy*. Mutual conflict involves an argument or disagreement between people with no imbalance of power. In incidents of mutual conflict, generally, both parties are upset and usually both want a resolution to the issue. Unresolved mutual conflict can develop into bullying if one of the parties targets the other repeatedly in retaliation.

*Social rejection or dislike* is not bullying unless it involves deliberate and repeated attempts to cause distress, exclude or create dislike by others.

*Single-episode acts* of harassment, nastiness or physical aggression are not the same as bullying. If someone is verbally abused or pushed on one occasion, they are not being bullied. Harassment, nastiness or physical aggression that is directed towards many different people is not the same as bullying. However, single episodes of harassment, nastiness or physical aggression are not acceptable behaviours at our school.

## **BULLYING PREVENTION**

Rubicon Outdoor Centre has a number of programs and strategies in place to build a positive and inclusive school culture. We strive to foster a school culture that prevents bullying behaviour by modelling and encouraging behaviour that demonstrates acceptance, kindness and respect.

Bullying prevention at Rubicon Outdoor Centre is proactive and is supported by research that indicates that a whole school, multifaceted approach is the most effect way to prevent and address bullying. At our school:

- We have a positive school environment that provides safety, security and support for students and promotes positive relationships and wellbeing.

- We strive to build strong partnerships between our visiting schools, families and the broader community that means all members work together to ensure the safety and wellbeing of students.
- Teachers are encouraged to incorporate classroom management strategies that discourage bullying and promote positive behaviour.
- Students are encouraged to look out for each other and to talk to teachers and older peers about any bullying they have experienced or witnessed.

For further information about our engagement and wellbeing initiatives, please see our *Student Wellbeing and Engagement policy*.

## INCIDENT RESPONSE

### Reporting concerns to Rubicon Outdoor Centre

Bullying complaints will be taken seriously and responded to sensitively at our school.

Students who may be experiencing bullying behaviour, or students who have witnessed bullying behaviour, are encouraged to report their concerns to school staff as soon as possible.

In most circumstances, we encourage students to speak to their identified *Group Teacher* or their home school *Visiting Teacher* who is with them in their classes while at our school. However, students are welcome to discuss their concerns with any trusted member of staff including the Wellbeing Coordinator, Campus Principal or School Principal

Parents or carers who may develop concerns that their child is involved in, or has witnessed bullying behaviour at Rubicon Outdoor Centre should contact the School Principal, via email [rubicon.oc@edumail.vic.gov.au](mailto:rubicon.oc@edumail.vic.gov.au).

Our ability to effectively reduce and eliminate bullying behaviour is greatly affected by students and/or parents and carers reporting concerning behaviour as soon as possible, so that the responses implemented by Rubicon Outdoor Centre are timely and appropriate in the circumstances, this may include bullying behaviour experienced immediately prior to attending the School.

### Investigations

When notified of alleged bullying behaviour, school staff are required to:

1. record the details of the allegations in Student Information Sheet; and
2. inform Group Teachers, Wellbeing Coordinator and Campus Principal.

A Principal Class staff member is responsible for investigating allegations of bullying in a timely and sensitive manner. To appropriately investigate an allegation of bullying, the staff member may:

- speak to the students involved in the allegations, including the victim/s, the alleged perpetrator/s and any witnesses to the incidents

The objective of completing a thorough investigation into the circumstances of alleged bullying behaviour is to determine the nature of the conduct and the students involved. A thorough understanding of the alleged bullying will inform staff about how to most effectively implement an appropriate response to that behaviour.

Serious bullying, including serious cyberbullying, is a criminal offence and may be referred to Victoria Police. For more information, see: [Brodie's Law](#).

## Responses to bullying behaviours

When the Principal Class Staff member has sufficient information to understand the circumstances of the alleged bullying and the students involved, a number of strategies may be implemented to address the behaviour and support affected students in consultation with Group Teachers, Visiting Teachers and the Wellbeing Coordinator.

- whether the perpetrator student or students have displayed similar known behaviour before
- whether the bullying took place in a group or one-to-one context

- Through the engagement with the student or students home school Principal who may implement disciplinary consequences for the perpetrator students, which may include removal of privileges, detention, suspension and/or expulsion consistent with our Student

Wellbeing and Engagement policy, the Ministerial Order on Suspensions and Expulsions and any other relevant Department policy.

- Through the engagement with the student or students home school Principal who may Prepare a Safety Plan or Individual Management Plan restricting contact between victim and perpetrator students.
- Monitor the behaviour of the students involved for an appropriate time and take follow up action if necessary.
- Implement group targeted strategies to reinforce positive behaviours

The Principal Class staff member is responsible for maintaining up to date records of the investigation of and responses to bullying behaviour.

Rubicon Outdoor Centre understands the importance of monitoring and following up on the progress of students who have been involved in or affected by bullying behaviour.
