Purpose

To provide a safe and secure teaching and learning environment for students and staff by establishing processes to monitor and manage visitors to Rubicon Outdoor School.

Scope

As a school setting delivering outdoor educational experiences to students from visiting government schools, this policy outlines our school's arrangements for visitors who attend school grounds when Rubicon Outdoor School has a visiting school in attendance during the school terms.

It is expected that any visitor will notify the campus principal prior to attending the campuses. The office staff monitor/receive visitors at reception, including parents, contractors, visiting teacher and volunteers. Outside of administration hours, when our front office is not staffed and it is expected that any visitors will notify the campus principal prior to arrival.

Definitions

Child-related work: As defined by the *Worker Screening Act 2020 (Vic)*, child-related work is work that usually involves direct contact (including in person, over the phone, written and online communication) with a child that is a central part of that person's duties. It does not include work that involves occasional direct contact with children that is incidental to the work.

Policy

Rubicon Outdoor School strives to create an open and inclusive school community and encourages parents and carers to be actively involved in their child's development and education. We strive to foster strong partnerships with local community services, schools and other organisations.

The principal has the authority to permit or deny entry to school grounds and encourages all visitors to familiarise themselves with our school's *Statement of Values and School Philosophy, Child Safety Policy, Child Safety Code of Conduct and Volunteers Policy*.

Working with Children Clearance and other suitability check

For Working with Children (WWC) Check and other suitability check requirements relating to parents/carers and other volunteers working with students please see our Volunteers Policy.

All visitors who are engaged in **child-related work** (see definition above) must have a valid WWC Clearance. Additional suitability checks may also be required such as reference, proof of identity, qualification and work history involving children checks.

In some circumstances, visitors to Rubicon Outdoor School who are **not** engaged in child-related work will also be required to produce a valid WWC Clearance depending on the circumstances of their visit. For example, Rubicon Outdoor School will require a valid WWC Clearance for:

- **visitors who will be working regularly with children** during the time they are visiting, even though direct contact with children is not a central part of their normal duties
- **visitors (e.g. contractors)**, who will regularly be performing unsupervised work at the school during school hours or any other time where children are present. Further background checks, including references, may also be requested at the discretion of the principal.

Visitors who will be working in areas away from students (e.g. a visiting auditor who will be located in the front office with administration staff) or who will be supervised and accompanied by a staff member during their visit (e.g. a Member of Parliament, a journalist, a prospective parent on a school tour) will not be required to have a WWC Clearance.

Sworn Victoria Police officers or sworn Australian Federal Police officers are exempt from requiring a WWC Check but may be asked to verify that they are sworn officers by providing proof of identification.

Invited speakers and presenters

On occasion, Rubicon Outdoor School may invite external speakers or providers to deliver incursions, presentations, workshops and special programs for our students. Consistent with Department of Education and Training requirements, Rubicon Outdoor School will:

- ensure that the content of presentations and programs by external providers contributes to the educational development of our students and is consistent with curriculum objectives
- ensure that any proposed visit, programs or content delivered by visitors complies with the requirement that education in Victorian government schools is secular and is consistent with the values of public education, Department policies and the *Education and Training Reform Act 2006* (Vic). In particular, programs delivered by visitors are to be delivered in a manner that supports and promotes the principles and practice of Australian democracy including a commitment to:
 - elected government
 - the rule of law
 - equal rights for all before the law
 - freedom of religion, speech and association
 - the values of openness and tolerance
 - respect for the range of views held by students and their families.

Parent visitors

As a school setting delivering outdoor educational experiences to students from visiting government schools, Rubicon Outdoor School asks parents/guardians to avoid arranging any form of visitation of their child, as this can cause inappropriate disruptions to their learning.

In the event, a parent/guardian will need to pick up their child during a Rubicon Outdoor School learning program, detailed consultation and organisation with the Campus Principal is to be conducted prior to the pickup.

We do however understand that there may occasionally be a reason why a parent or carer may want to speak to or see their child during the outdoor learning program.

If there is a particular pressing or unavoidable issue that cannot wait until the end of the outdoor learning program, we ask that parents or carers call the Rubicon Outdoor School campus office to make the request to speak to or see their child.

All parents attending the Rubicon Outdoor School must report to the school office upon arrival for instruction and follow the sign in procedure outlined above.

Other visitors

All business operators, tradespeople and other visitors attending the school to conduct work must report to the school office upon arrival for instruction and follow the sign in procedure outlined above.

No visitors are to remain on campus overnight without having prior approval with the principal.
